DE ORO

TO THE DAYS OF OLD

1849. A time of new traditions, discoveries, customs, and ideas. 1949. A time of new discoveries as important to the world as the gold the old pioneers found, a time when new customs and traditions are being founded, and when new ideas are being fostered. In many ways, this present generation embodies all the principles that the generation of youth in 1849 stood for, and so the Copa de Oro staff chose as the theme for this year's annual, "The Forty-niners", feeling that this theme represented the spirit of our class, of the present generation, and the celebration of the California Centennial.

ADMINISTRATION

The school year of 1949 has seen great progress in South Pasadena - San Marino High School in keeping the enviable record which it has had with schools in California and other states. Those capable leaders who have led the school this past year are Mr. Laurence Harper, superintendent of schools; Dr. Elmer J. Erickson, principal; Miss Jesse T. Oldt, dean of girls; and Mr. James Carpenter, vice- principal. Mr. Harper has the job of superintending all the schools in the South Pasadena area, in addition to keeping in touch with each student. Dr. Erickson has had charge of the Iowa Tests, a new test just inaugurated in the

school system for finding the weaknesses and strong points of the students, as well as their main interests. He, with the help of the faculty, is working to revise and modernize the course of study of the students. Miss Jesse T. Oldt has helped each girl in establishing the course of study which she will follow in college; has explained to her the result of the Iowa Test, and helped her in arranging her program to fulfill the needs of her future career. Mr. James Carpenter advises each boy in every way possible and helps him prepare for college; he returned to each boy his result of the Iowa Test; he takes over in the absence of Dr. Erickson. Through the hard work of these leaders, the school has had another prosperous year.

Coach Williamson, Mr. Carpenter, and Mr. Minard check in absences during the morning.

Highlighting the year for the faculty have been several interesting meetings. The faculty was victorious in the traditional faculty-girls' volleyball tilt and the Boys' League Faculty volleyball game won 25-20. Another yearly event was the faculty tea given for the teachers by the Girls' League Cabinet in the Girls' League room. At Christmas time the faculty was entertained by carols sung by the Girls' League Cabinet in the principal's office. Also at this time the faculty opened their homes and had a progressive Yule dinner party. One of the faculty meetings was held to honor Miss Rebecca Hayslip who retired last year. The first meeting of the year had on its agenda a lecture on England. At this meeting new teachers were guests of the faculty.

New teachers added to the faculty this year were Mrs. Barbara George, commercial; Miss Ruth Richardson, English; Mr. Vincent Dagort, band and U. S. history; and Mr. James Eacutt, coach who filled the places of Miss Rebecca Hayslip, English; Mrs. Lucille Linn, commercial; and Mr. Frank Kamm, coach.

OFFICE STAFF

The hard-working office staff has had the job of checking the absences, sending out transcripts, keeping the records straight, checking for lost books, keeping track of grades of students and aiding them in many ways. They are, left to right: Mrs. Reid, assistant librarian; Mrs. Dillon, Dr. Erickson's secretary; Mrs. Gumaer, in the attendance office; and Miss Dorothy Schober, in the principal's office. They have been working hard to serve students and faculty alike.

CUSTODIANS

The custodians, headed by Mr. Michael Sabula, of SPSMHS have one of the most difficult jobs on the campus, working from morning until night keeping the school grounds clean. These eight clean the rooms, fix lights and other fixtures, and do many other jobs around the school. Left to right they are Front row: Mr. N. H. Smith, Mrs. Betty Baker, Mr. John Kearns, Mr. Harry Madley. Second Row: Mr. Charles Spence, "Pop" Keller, Mr. Stephen Zewatch, Mr. Michael Sabula.

CAFETERIA

Throughout the year fine food at a low cost has been served to over 500 students and forty-eight teachers in the SPSMHS cafeteria both the lunch and brunch periods, due to the efforts of Mrs. Elizabeth Kidd, manager of the cafeteria staff, although working under disadvantages because of construction projects. The seven members of the staff are shown: Front row, left to right: Mrs. V. Fabain, Mrs. E. Kidd, Mrs. J. Hartman. Row 2: Mrs. M. Morgan, Mrs. M. Dennison, Mrs. L. Jones, and Mrs. M. Brandt.

Walter Hilliard, commissioner of athletics, was responsible for the success of traditional Color Day and for concisely informing students about sports activities. Roy Alexander, commissioner of finance, and Barbara Billings, commissioner of activities, sparked the ASB sale. Martha Weirick, commissioner of correspondence, kept accurate minutes of each meeting. Jack Lauderbaugh, commissioner of interior, tried to keep the campus rating up to a one with the help of his committees. Bill Linsenbard, commissioner of publicity, publicized all school events. Charles Tuller and Pat Phillips, commissioners of boys and girls, took charge of all league activities and Hello Day.

CLASS OF 1949

MISS ESTHER STEELE
Adviser

Wearing their blue sweaters with the white 49 numeral designed by Louise Yeakel, the seniors officially began their year when they marched down the aisle at an early assembly. "State Fair," the senior assembly, featuring the combined talents of the class was the second big event of the senior calendar. At Christmas time the senior booth portraying Santa Claus giving gifts to foreign children won second prize.

Spring arrived bringing with it the annual senior play, "Come Over To Our House," which was the first senior play to have a two nights' run for several years, under the direction of Miss Prosser of Occidental. Laughter was the keynote of the play.

May featured the traditional Senior Mothers' Tea at which the girls modeled their own clothes, the much anticipated Senior Ditch Day, the Junior-Senior Prom held in the Glendale Civic, and Graduation Day, June 16, with the presentation of the class gift, which culminated three happy years of planning, working, and dreaming.

CLASS OF 1950

JEROME ALTSHULER
Adviser

Starting the year in real style the class of 1950 elected for their officers Dick Shooshan, president; Sam Morley, vice-president; Judy Elliott, secretary; and George DeWeese, treasurer. One of the highlights of the year was the annual class assembly on February 25—a hilarious delight to the entire student-body. The junior-mothers' tea, held in November, gave mothers a chance to be acquainted with each other. A sweater design contest offered a chance for many budding designers of the class to submit their ideas for an emblem for their senior sweaters. Climaxing the year was the gaily decorated junior-senior prom held on June 3.

GIRLS' LEAGUE

Aiming to create friendliness and fellowship among the girls, the Girls' League calendar of events was filled to capacity. Some of the activities which were carried out so successfully this year were the Girls' League play, the calendar sale, the dance named the "Pick 'n Shuffle" with the gold diggers as a theme, the new girls' party, the new song contest, the class mothers' teas, May Day, and the second annual Girls' League Picnic.

The wonderful hard-working officers of the league were Pat Phillips, president; Ann Beardsley, vice-president; Jeanie King, secretary; and Tita Tibbetts, treasurer; who were guided by Miss Jesse T. Oldt, dean of girls.

Pat Phillips, Girls' League president, confers with Miss Jessie T. Oldt, adviser, about the next League meeting and Cabinet party.

CAMPUS COMMITTEES

"To keep the campus clean and presentable at all times" has been the aim of the Campus Committee this year. The group was led by the competent Commissioner of Interior, Jack Lauderbaugh, while Ann Beardsley, Girls' League vice-president, and Harper Imler, Boys' League vice-president, headed the Girls' and Boys' Campus Committees respectively.

The success of the committee has been mainly attributed to the skits, posters, slogans, and the daily publishing of the rating of the cleanliness of the campus in the bulletin. Also the committees made the trash-cans more plentiful and more obvious to the eye by repainting them a bright orange and black.

COPA

By the time the 1948 seniors had graduated, newly-chosen staff members of the 1949 Copa de Oro had started work on the theme and cover under the able direction of Nancy Clark, editor-in-chief, and Mr. E. H. Crook, adviser. In September, after a summer's planning by Nancy and Mary Willims, art editor, dummies were laid out, and editors' ideas began to take shape. Pictures were scheduled, copy was written, and frequent conferences with business firms were held. Each week's work pointed towards May 14—the final deadline. Finally, after lots of fun, worry, and working late the Copa

PRINT SHOP

TIGER, Peter Pan Player programs for the annual one-act play and Christmas play, report cards, and many other announcements for the school or its organizations were the main projects for the print shop under the direction of Mr. Ben Henry. The purpose of the course is to give boys practical experience in setting type, and other related processes.

Busy setting the type for the "Tiger" are members of the print show crew: C. Taylor, R. Bingham, Mr. Henry, W. Wheatcroft, P. Hayhurst.

STAGE CREW

Under the direction of Mr. Edgar Jacobs, the stage crew produced the fine sets which furnished the backgrounds for many productions on the SPSMHS stage. The members handled the modernistic interior setting for the senior play, "Come Over To Our House," as well as the beautiful background for the Peter Pan Players Christmas play, "Good King Wenceslaus," and Oriental setting for their one-act.

Stage Crew members are: Front row: Biles, Locey, Marks, Michael. Row 2: Schultz, Dunlap, O'Leary, Severe, Mr. Jacobs.

BALL AND CHAIN

To provide better services for the school's athletic teams and coaches, as well as to serve as a social club for the managers is the purpose of "Ball and Chain," newly organized this year by Dave Barry. Membership is open to any present or prospective manager with a satisfactory grade-point average. Managers are considered apprentices until they have earned their letter and received full standing in the club.

Ready to charge books at the main desk, shelve them, plan displays, and take care of the library equipment are the students who are taking library science under the instruction of the head librarian, Miss Florence Williams and Mrs. Reed, assistant. These future librarians help to keep the library running smoothly and efficiently by aiding the students and faculty in every way possible.

Hard-working staff of the student store: Mr. Wood, Holan, Hewett, Anderson, Barden, Lee Traynor.

BUSINESS STAFF

Operated for the convenience of the students, the bookstore and commercial office aid other students interested in business to gain practical experience as well as to be of service to the school. Selling supplies, managing the student bank and commercial office, and keeping the books straight for various school organizations and the ASB, gains members experience under Roy Alexander and Mr. Guy Wood.

PROJECTIONISTS

Under the direction of Mr. Carl V. Gruhn, the students belonging to the Projectionists are taught the technique of running the school projectors and film equipment. They become licensed operators and are allowed to assist in the showing of films to the various classes. These students contribute much of their time to this work. In their meetings, they hear discussions by experts on new types of projectors.

The club officers for the year included Al Garlinghouse, president; Bobby Buck, vice-president; Susie Copeland, secretary; and Bill Moffett, treasurer.

TREBLE CLEF

So that students interested in music may have a chance to meet together and enjoy the many opportunities to listen and perform, a new club, the Treble Clef, was formed this year by Mr. Albert J. Adams, music instructor.

At meetings the club enjoys programs presented by their own members as well as outside entertainers, and attends operas and concerts throughout the year.

ATHLETIC SERVICE

With Mr. Carpenter serving as their adviser and Dave Barry their chairman, the Athletic Service Committee made itself valuable to the school in a number of ways this past year, but most notably by assisting at the fall football games. In addition to directing traffic, the sixteen members helped assist in emergencies and kept the sidelines clear.

S CLUB

The "S" Club, honorary organization for Tiger athletes who collect the qualifying ten points in letter awards, had an active schedule this year with their June assembly and an exhibit during open house week. The club also rendered valuable service by making adjustments on sweaters and letter awards for other members of the student body. Now in its twenty-fourth year of operation at South Pasadena, the "S" Club as in other years had as their supervisor Coach C. Merrill Green.

All twenty-six club members qualified for entrance by being a senior Varsity letterman in a major sport or an undergraduate letterman with two Varsity or four Bee letters. Club officers this year were Lee Sammis, president; Pete Browning vice-president; and Don Ericson, secretary-treasurer.

PIGSKIN REVIEW

A well coached South Pasadena Tiger grid aggregation, mentored by Frank Williamson and James Eacutt, surged through eight encounters before being dumped by Monrovia in the last game of the season, and finished the year in second place in the Foothill League.

In Bob Garrett, Ronny Stewart, and Don Erickson, Coach Williamson had three lettermen around which he molded a great squad that racked up 192 points, and a great defensive team that limited their opponents to 63 points.

MARK KEPPEL 6-0. The Tigers dropped Keppel for the third straight season. Morley scored on a 20 yard pass from B. Garrett.

EL MONTE 13-7. Stewart scored on jaunts of 13 and 53 yards to lead the locals to victory.

COVINA 32-12. The first league encounter. Morley and Ericson scored on aerials from B. Garrett, and T. Garrett. Stewart, and Smith scored on land.

MONTEBELLO 27-7. Again Stewart led the Tigers to victory, scoring on a 30 yard pass from B. Garrett, and scooting 85 yards on a punt return for the other. Lauderbaugh scored via another aerial, and T. Garrett plowed over.

BURBANK 14-0. The Bengals coordinated a running and passing attack to trounce Burbank in one of the finest games of the season. Stewart went 70 yards for the first TD, and T. Garrett snagged a B. Garrett pass for the second.

GLENDALE 19-6. The Dynamiters fought the Tigers to an early standstill, but finally fell before the Bengal's land and aerial attack. Morley scooped up a blocked punt and romped over for the initial TD, and Stewart went over for the second. B. Garrett passed to Morley for the final score.

BELL GARDENS 41-13. Bell Gardens went down in a practice tiff. Stewart took an aerial for the first TD, Sammis and Pickett went over, and T. Garrett chalked up two touchdowns. B. Garrett passed to Morley for another.

HOOVER 19-7. Again Stewart led, with a 20 yard TD pass from B. Garrett and a five yard gallop of his own. B. Garrett went over from the one.

MONROVIA 21-28. Battling for the league crown, the Wildcats unleashed a powerful running attack and dropped the Bengals. B. Garrett scored on a 36 yard run and passed to Morley for another. T. Garrett smashed over for the final score.

With All CIF quarterback Bob Garrett back, and four other returning lettermen, Coaches Williamson and Eacutt will field a heavy and experienced Tiger Varsity next year.

Coach Frank Williamson's fine Tiger football teams have fared well the past three seasons, chalking up two league championships, in '46 and '47, and annexing the second place spot this year behind Monrovia.

Coach Williamson's Bengals have dropped only one league tussle since the '45 grid season, and have advanced into the semi-finals of the CIF playoff for two successive seasons. The Bengals were dumped by Alhambra two years ago in the CIF semi-finals, and one year ago bowed to Santa Monica in the CIF semi-finals.

A great deal of credit for South Pasadena's success on the gridiron is deserved by Coaches Frank Williamson and James Eacutt.

Coach Eacutt, a graduate of the University of Redlands, is a comparative newcomer to the Tiger coaching staff, as this is his first year at SPSMHS.

Activities of the Pep Commission, directed by Gerry Conrad and Allan Gallion, were the sponsoring of the Rooters Club, and the development of the Tigerette drill team.

BEE FOOTBALL

Coach C. Merrill Green's Bee football team enjoyed a fairly successful season, and captured fourth position in the Foothill League.

The Bees opened the league season against the Covina Colts, and pounded out an impressive 20-0 victory. The Tiger light weights were held to a 7-7 tie with Hoover and a 6-6 tie with Monrovia. On the other side of the slate the Bengals lost a heart breaker to Montebello 7-6, and were trounced by Glendale and Burbank, the two top teams in the league. The Tiger kits were also dropped by El Monte and Muir in practice games.

All league halfback Granny Thurman captained the squad and led in the scoring. Norm Ono made third string all league, and was outstanding in the backfield along with Thurman, Dick Eade, Jim Ronnow, Alan DeWilde, and Bob Hughes. Outstanding linemen were all league tackle John Livingston, Art Baudry, Phil Brabyn, and Jim Noe.

Twenty-three boys received letters, and according to Coach Green a lot of fine material for the Varsity was turned out.

A complete summary of the Bee grid season is as follows. El Monte 0-26; Covina 20-0; Montebello 6-7; Burbank 0-20; Glendale 0-26; and a 7-7 tie with Hoover and a 6-6 tie with Monrovia. The Greenmen sparkled individually, but lacked power as a team.

Champs in '47, champs in '48, and almost in '49 might summarize Coach C. Merrill Green's Varsity quintet of the past season. Rated fourth in the league at the season's start, the Tiger cagers battled through a rough schedule with a 9-3 record, to grab second place behind Burbank. Led by Sam Morley, All-CIF forward, and captain elect for '50, and All League center Tom Sawyer, the Greenmen chalked up 583 points during the league season to compile an enviable record.

Displaying terrific improvement from their practice showing, the Bengals emerged from the league with but two losses to Burbank and one to Glendale.

In the opening games the Tigers trampled Montebello 49-33, only to be dumped by Burbank 36-39. The Bengals trounced Glendale 65-51 in a high scoring contest in which Sam Morley scored 32 points, topping the school record of 31 set in '41 by Kenny Galpin. Covina went down 49-37, Hoover followed 45-44 and Monrovia fell 54-38.

In the second round, Captain Tony Garrett's two charity shots pulled the Bengals to a 38-36 victory over Covina. Montebello was dumped 44-25. Burbank overcame the Tigers' four point half time lead and emerged victorious, 47-49. Glendale handed the Bengals a stunning 33-45 setback, and Hoover fell again 58-45. The Tigers climaxed the season with a 69-31 victory over Monrovia.

In the Beverly Hills Tournament, the locals polished off Santa Monica 59-35, and upset the favored Bay League champ, Compton, 49-47.

Ventura dumped the locals 44-56 in the semi-finals and Beverly Hills nosed the Tigers 33-35 in a third place playoff. Morley led the Tourney scorers with 80 points, and led league scoring with 206. Tom Sawyer was second in scoring, and Don Smith was third.

With Don Smith and Sam Morley, first all C.I.F. forward, returning next season, and some good men up from the Bees, prospects appear bright for next year.

BEE AND CEE BASKETBALL

Coach Eacutt's Bee quintet proved to be an off and on squad, winning four league tussles while dropping eight. At the season's end the Bees found themselves in fifth place behind Glendale, Burbank, Hoover, and Monrovia.

The Bee's opened with a 47-24 victory over Montebello, only to have Burbank trip them 31-33. The Tigers dropped one to Glendale 23-21, and then downed Covina 44-21. Hoover and Monrovia pounded out 32-40 decisions over the Bengals. In the second round Covina was trounced 36-19, and Burbank eaked out a 23-28 win. Glendale thumped the Kits 21-33, and Hoover and Monrovia took the final games 30-47 and 44-49 respectively in a close battle which was the closing game of the season.

Granny Thurman and All-League center Dan Oredson captained the squad.

Coach Williamson's Cee squad battled through a fairly successful season with a record of three wins and three losses.

The Cee's started with a 29-24 win over Burbank, and made it two straight by downing Covina 27-25. Hoover downed the lighties 16-32, Monrovia tripped them 20-31, and Montebello came out on top 34-40. The Cees redeemed themselves by trouncing the John Burrough's squad 36-26.

CROSS COUNTRY

Under the mentorship of Coach James Eacutt, the long winded Tiger Cross Country Team rambled through a successful league season. With only two returning lettermen, Jim Hart and Bob Addoms, Coach Eacutt turned out a leather-lunged squad that racked up five victories while losing one contest to Glendale.

The Bengal distance aces journeyed to Montebello for their first contest and trampled the Oilers 19-43. Hart was an easy winner. The second meet brought the Tigers and the Oilers together during the half of the Montebello South Pasadena football game.

Hart chalked up his second victory, and lead the Bengals to a 21-34 win.

The third contest, between the half of the Glendale football game proved to be disastrous for the locals, as Lieb of Glendale romped home in record time to lead his teammates to a 34½-23½ victory. This proved to be the only league setback for the Espee hill and dalers. Running without the services of three of their most dependable performers, the Bengals tangled with Montebello and John Muir in a three way meet. The Tigers once again dumped the Oilers, but were subdued by Muir, by a scant 2½ points.

In the final meet of the season, the Eacuttmen trampled Fairfax High of Los Angeles 17-47 in a practice contest.

The Bengal runners climaxed the successful season by taking fifth place in the CIF middle schools run-off.

Jim Hart led the Tigers in scoring with 10 points, and was closely followed by Irving Anderson and Bob Bird with 9 points. Dick Weilein and Bob Addoms were close behind with 7 and 6 points respectively.

Next came Bill Shuck with 3, Marshall Clark and Denison York with 2 points, and Bill Brooks and Chas. Tuller with one.

VARSITY TRACK

In a season outstanding with individual performances, but lacking in all round team performances, Coach James Eacutt made his debut as track coach replacing Frank Kamm who had coached Tiger spike squads for the past two years. He inherited a squad with only three Varsity lettermen.

Coach Eacutt proceeded to dig in and molded a squad which except for its lack of depth would have bowed to few teams in the League. Three meets this year in which the Tigers were beaten—Montebello, Burbank, and Monrovia, the Tigers collared as many first places as their opponents. Thus a lack of depth can be held responsible for the Varsity record of five defeats and one victory.

This year's Varsity was led by 440 man Irving Anderson, high jumper Bob Bird, distance man Don McLaughlin, hurdlers Jim Noe and Walt Hilliard, and broad jumper, shotputter, sprinter, Ronnie Stewart. Anderson and Hilliard co-captained the squad, and Anderson was awarded the Sink Perpetual Trophy as the outstanding track man of 1949.

At the season's end, Noe, Bird, and Brabyn stepped down to Bee and went through the league meets and into the CIF. The Varsity relay team of Heard, Peterson, Romero, and Anderson also advanced into the CIF track meets to take places.

BEE AND CEE TRACK

Although the "B" thinclads, mentored by James Eacutt, encountered exceedingly stiff competition in the Foothill League, they managed to send three boys through the League finals and into the CIF track meets.

The team as a whole didn't fare too well, but received some spark from such standouts as Jim Noe, who broke the school record for the B 120 yard low hurdles with the hot time of 13.6, beating the previous record by one-tenth of a second. Phil Brabyn improving steadily in the shot put broke the school record of 50′ with a heave of 50′ 7½″. Outstanding throughout the season was Bob Bird, a high jumper who survived the League finals along with Noe and Brabyn. His best mark was 5′ 11″. Other point getters for the Bees were Granny Thurman in the 100 yard dash and broad jump; Jim Ronnow in the sprints; Steve Lanzit and Clark Kenyon in the 660; Ed Buhlig in the high jump; and George Gibbs in the shotput.

The relay team of Thurman, Ronnow, Noe, and Fleck advanced into the League finals.

Due to a lack of depth the Cee Team didn't do so well. Mel Goldberg turned in a 10.9 100 yard dash and was the mainstay of the squad. Other boys in the Cees were Dick Carlson in the pole vault; Walt Conn in the shot put; George Underhill in the broad jump and Gene Leonard in the high jump.

Cee Squad. First row: George Underhill, Mel Goldberg, Coach Eacutt, Walter Conn, Clifford Altenberger. Second row: Marshal Clark, Tom Stefano, Eugene Leonard, Dick Lindley.

VARSITY BASEBALL

Closing out the 1949 season with the same faulty fielding which plagued them in many of their games all year, Coach C. Merill Green's Varsity horsehiders dropped a close 4-6 decision to the Glendale Hoover Tornadoes. This defeat cost the Bengals a possible third place tie with Hoover and Glendale in the Foothill League, and dropped them into fifth place behind the two above named squads. The Tigers finished the season with a league record of four wins and eight losses.

At the beginning of the season Espee's prospects looked bright indeed as the squad turned in several "upset" victories in practice games coming mostly through the excellent pitching efforts of hurlers Jack Russell and Jack Waltz.

A 1-0 one hit victory featured the first game with Bell Gardens in which Russell was the winning pitcher. This was quickly followed up with decisions over the Pasadena City College Bullpups and John Burroughs, sandwiched in with defeats by El Monte and Loyola.

The faulty fielding struck in the very first league encounter against Covina, when, with the Bengals leading 4-2 in the last half of the seventh inning, three errors gave the Colts three runs and the ball game. The highlight of the season was, undoubtedly, the Bengal defeat of Montebello, the League Champions, by a score of 3-2. Jack Waltz was the victorious hurler in this tilt.

Bob Garrett, heavy hitting junior catcher, won the batting championship trophy given by the Junior Chamber of Commerce with a .333 average for the league season.

League Champs! Hats off to a battling Tiger J. V. Baseball squad that became the first Espee Junior Varsity team to cop the number one spot in the league.

This year's Foothill Champs were coached by Frank Williamson and co-captained by Marshall Minard and Bob Sisler. With lettermen Minard, Sisler, Bill Moffett, Tom Wallace, Bob Andrews, Doug Tanner, and Pat Burkett forming the nucleus of the squad, Coach Williamson was able to round into shape a smooth working club that dropped only three contests—one in league, two in practice. On the other side of the slate, the Bengals racked up eleven victories.

Filling in the rest of the lineup were: Ken Brown, pitcher and outfielder; Bill Woodward, pitcher; Bob Long, catcher; and Mike Giddings, firstbaseman. The league loss for the Tigers occurred at the hands of Covina 1-8. However the Jayvees bounced back to chalk up victories over Montebello 6-4; Burbank 10-0; Monrovia 5-2; and Hoover 8-7. Hoover also had a four and one league record, but the locals were awarded the championship because of the Tigers win over them. The practice game record of the Jayvees included two loses and six wins.

The Bengals were dumped by Cathedral 2-4, and by Mark Keppel 3-4. The locals came back to pound the same Cathedral and Keppel teams 9-5 and 12-9. The other practice wins were a 14-9 slaughter of Alhambra, a 4-3 win over John Muir, and two victories over John Burroughs, 5-4 and 17-7.

Coach Harry Swart's teams have chalked up 18 league titles since 1925, and taken the CIF crown the past two seasons.

J. V. First row: Jerry Harrington, Bill Fundenberg, Tom Mitchell, Jack Sisson, Lou Amestoy, Dick Andreson. Second row: Mgr. Miller, Pete Dobbs, Chuck Stehr, John Bree, Ted Scott, Bruce Murphy, Jerry Harris, Russ Chandler, Jim Devers.

For the twenty-second time in the last twenty-five years, Coach Swart's Varsity netters have captured the league crown. Undefeated in 83 matches, the Tigers are girding for their C. I. F. Championship contests. Results of these matches came in too late to be included in the Copa.

Sparked by Lew Peterson and Ed Dey and Rocky Jordan in the doubles, the Bengals have pounded out wins over all comers. The terrific depth of the Tiger netters constantly racked up valuable points for the Espee cause. Lew Peterson won the league singles crown from teammate Jorgenson. Dey and Jordan were runners-up in the doubles competition.

The J. V. netmen also won the league to keep pace with the Varsity men, and were undefeated in nine matches.

The J. V. team has kept a perfect record since the league was organized three years ago.

MISS HELEN REESE

MISS VIVIAN ATHERTON

FEMININE FORTITUDE

A very successful year was enjoyed by all girls sports enthusiasts under the expert direction of Miss Vivian Atherton and Miss Helen Reese, athletic directors. An interesting variety of activities was offered; and a large number of girls participated, each one gaining a great deal in health, sportsmanship, teamwork, and pleasure.

The five charming cheer leaders, Loreen and Moreen Smith, Berry Conrad, Marian Marshall, and Joey Baldwin contributed their bit in arousing spirit and enthusiasm at the playdays and Patsy Karnes, chairman of the girls sports committee, did an excellent job in arranging transportation and other details for the playdays and meets with the different foothill schools. Plans for next year are already under way.

The object of the girls sports committee guided by the Girls League is to promote active interest in sports among all the girls in school and to sponsor the after school interclass playoffs and playdays.

Girls' Sports Committee: Front row: Reese, Manahan, Karnes, Overstreet. Row 2: Farcus, Cook, Karas, Tolbert, Bunnell, Paxson. Row 3: Jackson, Marshall, Hill, Hansen, Mackel. Row 4: Burgbacher, Lindley, Olsen, Harrigan, Corbett, Dohlen, Stringer. Row 5: Weidler, Jansse, Teetman, Williamson, Billings, Brammon.

HOCKEY

Hockey saw its close this year when the winning teams played off in the snow for the championship. The captains of the teams from the six gym periods were Gretchen Reinke, Mary Williamson, Jackie Bell, Patsy Karnes, Mary Willims, Dolores Costes, Florence Burke and Dorothy Follansbee. The seventeen girls composing the SPSMHS hockey team were planning to attend the hockey playday, sponsored by the Los Angeles Field Hockey Association, at Griffith Park, but were unable to do so when the meet was called off due to snow.

VOLLEYBALL

Opening the fall season of girls' sports, volleyball attracted many who soon perfected their game and began competing for the final tilts played after school. Individual class competition was the first step on the volleyball ladder. After winning their class championship, teams went on to compete in after-school meets. Barbara Mundorff's dynamic second period slammers took the girls' championship in a swift and furious game.

At the right: Pat Kuntz jumps to deliver a smashing volley.

SPEEDBALL

Large turnouts for speedball showed the increasing interest of the girls in the sport which combines the techniques of soccer, basketball, and hockey. As speedball is a boisterous game, competition was keen for the individual class championships won by Sampson - Winn, Cook, Connelly - Friedrick, Ayo - Elliott, McClung - Stringer, and Mills-Burke. With excellent team work and individual effort, the Mills - Burke combo walked off with the inter-class championship.

At the left: Ann Seagren drop-kicks for the extra point as Patsy Karnes attempts to block.

BASKETBALL

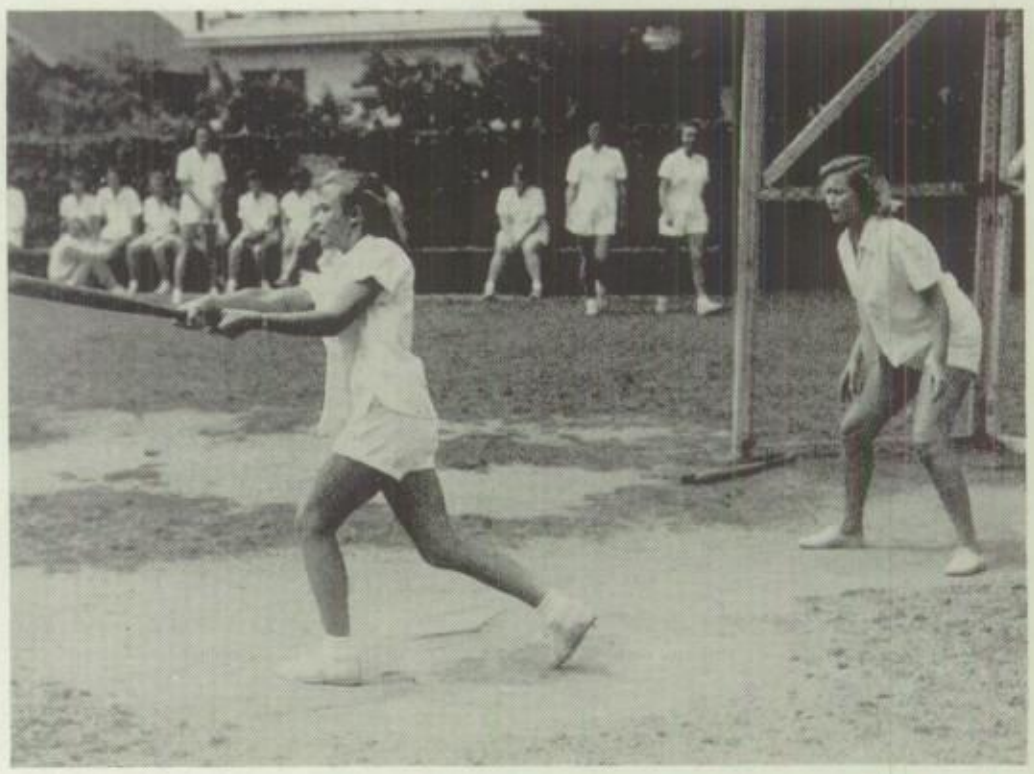
The basketball season opened with a great deal of spirit and enthusiasm. As it is an active sport, the contenders have a good, if not exhautsing time, trying to sink a long one or make good a charity shot. The screams and yells during the last days of March came from the six teams who won class championships, and who went on to try for the girls' crown in the swift sport. Barbara Billing's sixth period shooters invaded the hardwood courts to take the title.

At the left: Ann Beardsley jumps for a tie-ball as Marlene Briener tosses it up.

SOFTBALL

With the arrival of warm weather softball again comes into its own. Girls strive to perfect their batting techniques, to throw a curve ball, and above all to "catch" a ball. The winning teams in each gym period play off after school in order to decide who will win the Softball Championship. This year's teams were evenly matched and competition was keen.

At the right: Here in a typical scene from one of the daily softball games Dolores Costes swings and connects with the ball for a neat two base hit. Marilyn Floaten acts as catcher.



DANCING

In order to aid the girls to gain grace and poise, dancing is included in the physical education schedule. The girls practiced the steps of many dances including the Charleston, Topsey, Arkansas Traveler, and other folk dances. When each girl is confident that she has mastered the steps, she is graded by the instructor. Music for the weekly dances is furnished by Mrs. Miller who added by her varied pieces to the interest of the girls in the dances.

At the left: Miss Atherton leads the girls in the steps of the Arkansas Traveler.

BADMINTON

Agility and a smashing drive are two of the ingredients needed for a successful badminton player. Admirers of the sport would do well to watch the girls in any gym period as they successfully "kill the birdie." Although no inter-class tournaments are held in this sport, the girls hold individual tilts which prove to be crammed with exciting plays. Girls have also entered into competition in other schools and have proven victorious—winning at both the Monrovia and home playday.

At the left: Sally Coffman and Rosemary Sater collide as they attempt a return.

TENNIS

The boys' tennis team has somewhat overshadowed the hard-working re-established girls' team. This year SPSMHS has been represented by an outstanding singles player, Julie Sampson. National Public Park Champion and winner this year of the Ojai Valley Girls' Singles, Julie has promise of becoming high in national ranking. A sophomore, she was supported in singles by Diane Cook, Pat Kuntz, and Ann Brigham. Among winning doubles were Joan and Joyce Reid, and Mary Marshall and Janet Leeds. Julie also won the Southern California 15 years old Junior Net Championship.

At the right: Julie Sampson puts away a high lob.

PLAYDAY

SPSMHS' feminine contingent won eight of the thirteen events in the first playday held at South Pasadena with Burbank, El Monte, Monrovia, Whittier, and Bell Gardens. The school spirit, enthusiasm, friendliness, and cooperation shown by the six schools was rated excellent as well as good sportsmanship in the playing of hockey, speedball, volleyball, tennis, and badminton. South Pasadena took the red ribbon in the second playday held at Monrovia where eighty-six of the local girls participated in basketball, volleyball, softball, tennis, badminton, and table tennis.

SCHOOL LIFE

SLAG

GOLD

COLOR DAY

Frank Williamsen's rugged crew got set to meet the scrappy colts from out Covina way in sweat and silence. The rest of the student-body prepared for this, the first league game of the '48 season, in a much noisier, though less energetic way. Beginning with a snappy assembly featuring yells and the crowning of the football queen, the activities of the day included a pep parade through the streets of South Pasadena and, of course, the big game, which the tremendous Tigers won 32-12.

This year's queen shown in the top picture in the center was Barbara Pratt, who was aided by her court, Jackie Becker who is shown on her left and Eve Beamish on the right.

WELDON FAIR PLAY

Courteous, responsible, willing to give lots of time to serve the school, showing good sportsmanship, and being democratic are qualities which the six students chosen for the Weldon Fair Play Awards, established in 1929 by Mr. W. R. H. Weldon, possess. A gold pin, a certificate, and the honor of having their name engraved on the Weldon Fair Play Cup in the SPSMHS trophy case are awarded to students chosen by a student-faculty committee on the basis of their fair play, 24 grade points, and whether they have been enrolled in the high school for a year.

DON ERICSON, a great football player, is an all-round fellow who is a worker in community life as well as in his school life.

GERRY CONRAD, popular and active Tiger songleader, organized the successful Tigerettes, girls' drill team.

TONY GARRETT, tops in sports and sportsmanship, led the senior class as president and was vice-president of the sophomores.

NANCY NAY, co-writer of the senior song and as a junior secretary of the Girls' League, works hard and lends a helping hand on everything.

ALDEN McKELVEY, active president of the Hi-Y council and lead in the senior play, is another fellow who is responsible and friendly.

SHIRLEY WOODLAND, secretary of the senior class, did a marvelous job as first page Tiger editor and correspondent for the Star-News.

LOW LITES, SWEET MUSIC

From the opening dance of the the school year, the Commissioners' gala presentation "Her Highnesses' Hop", clear through to the final get together at the Junior-Senior Prom, the school dances have been a constant parade of enjoyment for the students. Highlight of the school dance calendar was the Science Club's original stag dance "Test Tube Tumble" which provided entertainment all the way from square dancing called by Skipper Stiemle to oldtime silent movies. The Girls' League presented the "Pick 'n Shuffle" honoring the senior '49ers, and the pre-Christmas days featured the Boys' League sponsored "St. Nick's Mix". Others included the Bengals' "Sweetheart Swing" and "The Cotten Ball" given by the Peter Pan Players.

CARNIVAL

In the spring a young man's fancy lightly turns to thoughts of what girls think of all winter. South Pas recognizes the coming of this joyous season with the May Day celebration. This year's attractions included, the metronome all stars of the Boys' League, featuring big Ed Smith on the skins, a doughnut concession run by the Bengals, a 'ring the bell for a cigar' sponsored by the Cimota Club.

The night of the celebration found a good share of the SPSMHS students enjoying the music of Alvino Rey at the All League Dance sponsored by Montebello. The highlight of the evening found South Pas waltzing off with the sweepstakes trophy. The trophy, based on seven percentage scores, is presented each year to the school showing the best all-round record.

Time out! Christmas, Easter, Memorial Day, just plain weekends, and Saturday nights. All these vacations and dates aren't actually a part of school activities, but without them a school year would hardly be complete. The places to go, such as Laguna, Bal, Big Bear, Rite Spot, and others are parts of our school life as much as study hall, the auditorium, or the Boys' Gym.

During Christmas vacation the most popular spots are found to be ski resorts such as Snow Valley, Arrowhead, and Green Valley; while Easter week, the other long vacation of the year, finds the crowd migrated to the beach. The places SPSMHS students frequent during their time off varies as much as their personalities, and vacations may even find them in Mexico.
